ABOUT US

DESIGN | BUILD | SPACES THAT INSPIRE

LIBRA Interior & Fit Out specializes in architectural design, interior design, and comprehensive fit-out solutions across the United Arab Emirates.

We combine engineering expertise with creative design to deliver functional, elegant, and high-quality spaces.

From initial concept to final handover, we provide an integrated approach to design and execution.

Our approach is supported by over 10 years of engineering and consultancy experience across residential and commercial projects.

FOUNDERS' MESSAGE

VISION | EXPERIENCE | COMMITMENT

At LIBRA Interior & Fit Out, our journey began with a clear vision to transform ideas into inspiring spaces that enrich people's lives.

With over 10 years of engineering and consultancy experience in the UAE, we combine technical expertise with creative design to deliver high-quality residential and commercial projects.

Our commitment is to provide complete solutions - from concept and design to execution and final handover - with attention to every detail, ensuring our clients' satisfaction and lasting value.

LIBRA / INTERIOR & FIT OUT

WHY CHOOSE LIBRA?

We combine engineering expertise, creative design, and integrated execution to create exceptional spaces that reflect our clients' lifestyles and meet their needs.

10+ YEARS OF EXPERIENCE

Engineering and consultancy expertise in leading UAE companies.

CREATIVE DESIGN

Modern designs that meet your needs and reflect your identity.

TURNKEY EXECUTION

From design to handover, with the highest quality standards.

PROFESSIONAL TEAM

Experienced engineers, designers, and technicians.

QUALITY ASSURANCE

Detailed follow-up to ensure high-quality execution.

AFTER-SALES SERVICE

Ongoing support to ensure your satisfaction and peace of mind.

LIBRA / INTERIOR & FIT OUT

OUR WORK PROCESS

We turn your vision into reality through a clear, structured process, ensuring quality, timely delivery, and your satisfaction at every stage.

01 CONSULTATION

We listen to your needs and discuss your vision, requirements, and budget.

02 DESIGN STUDY

We prepare plans and designs to suit the space and your needs.

03 APPROVAL

We review and approve the design, materials, and final details.

04 EXECUTION

We execute the project to high standards under specialist engineering supervision.

05 QUALITY CONTROL

We check every detail against the approved specifications.

06 HANDOVER

We hand over the completed project with your satisfaction in mind.
